ACCUMULATED FOULS, EACH HALF

Mark one box for each foul the referees penalize with a direct free kick. Indirect free kicks don't count, and no foul is added when a penalty kick is awarded. Box 5: the fifth-foul sign goes on the table. Shaded boxes: from the 6th, each foul gives the other team a direct free kick with no wall (a penalty kick if it was inside the penalty area, and that one is not marked). The count starts at zero in the 2nd half. In extra time, keep marking the 2nd-half row.

GOALS

Shirt numbers only. Assists are your team's own stat: the Laws don't define one, so agree what counts before the season.

CARDS AND SEND-OFFS

After a send-off the team plays one short until 2:00 of playing time has passed, unless a goal lets it bring a substitute on sooner (the cases are in Law 3.8).

Rules on this sheet: FIFA *Futsal Laws of the Game 2025-26*, Law 3.8 (players sent off), Law 6.2 (the fifth-foul sign), Law 7.3 (timeouts), Laws 12.1, 13.4 and 13.5 and the Futsal Terms (accumulated fouls, the reset at halftime, the sixth-foul kick). Your league or event may change some details, such as period length, so its rules come first. This is your team's own record. The official one is the match report kept by the match officials.
